

2nd class passenger coach, MBS

Epoch:

Art. No.:

2nd class passenger coach of the Montafonerbahn.

- Perfectly matches the electric locomotive 1045.03 (Art. no. 73503, 79503)
- Art. no. 64357: modified running number

These wagons were the first all metal wagons of the SBB. In 1970 most of the wagons were decommissioned by the SBB. Some of them have been sold abroad (e.g. to Austria and to Italy). That's actually how the Montafonerbahn (MBS) discovered this wagon group.

Specifications:

General data

Interior lighting Article number	40420
Interior fitting	Model with interior furnishing
Interior fitting	Interior lighting can be retrofitted
Coupling	NEM shaft 362 with close coupling mechanism
AC Wheel set Article number	40196

Measurements

Length over buffer	230 mm
