

Light signal switch

Art. No.: 10525

€35,90

Signal switch with feedback and train control.

With one switch, two two-aspect light signals (e.g. 40020, 40021, 40600, 40601, 40602, 40603, 40604) can be operated without magnetic drive. Further switches can be plugged into the side.
