

## Electric locomotive 1046.18, ÖBB

ÖBB

Epoch: IV

14+

Art. No.: 73298

€249,90

Electric locomotive 1046.18 of the ÖBB painted with blood orange colour. Epoch IV. Model with three decorative stripes, flywheel and cast number plate. The locomotive has its base at the Zf.Amstetten. ■ Unobstructed view through the luggage compartment ■ Precise realization of the skirt's shape ■ Perfect for passenger trains ■ Limited edition The swichtable main beams, driver's cab lighting and headlights are only pre-installed in our digital versions 73299 and 79299. The analogue versions are not equipped with high beams, driver's cab or lighting in the luggage compartment from factory. The functions only can be activated if a PluX22 decoder is installed. However, this is only possible when the circuit board 139799 is installed. You can buy the circuit board at our spare parts shop.
