

Diesel locomotive 752 070-3, ZSSK

Epoch:

Art. No.:

Diesel locomotive 752 070 of the Slovakian State Railways.

- 3rd type series with beaded side walls up to the edge of the roof

The class 752 is a diesel electric multi-purpose locomotive and earned its nickname Bardotka, after the french actress Brigitte Bardot, because of it's distinctive exterior. From 1966 until 1971 230 series locomotives were produced for the ČSD at the factory ČKD in Prague. Since the division of the CSD in 1993, some locomotives still are active at the ZSSK.

Specifications:

General data

Number of axles with traction tyres	1
Number of driven axles	4
Coupling	NEM shaft 362 with close coupling mechanism
