

## Electric locomotive Br 5404, Green Cargo

Photomontage

Epoch: VI

14+

Art. No.: 73178

€214,90

Electric locomotive Br 5404 of the Green Cargo.

- Use in the goods traffic in Sweden, Denmark and Germany
- Snowplough mounted on the chassis
- Headlights/tail lights switchable with a DIP switch

Green Cargo AB has been the name of the train operating company (TOC) that has taken over the freight transport of the Swedish State Railways since 2001. Bombardier delivered six TRAXX type F140 AC2 locomotives to the company in 2009. In 2018, the cooperation with DB Cargo was ended and the locomotives were given a green livery and the new series designation "Br". The locomotives are used on the Sweden-Denmark-Germany corridor.

### Specifications:

#### General data

Coupling	NEM shaft 362 with close coupling mechanism
Minimum radius	358 mm
Number of axles with traction tyres	1
Number of driven axles	4
Flywheel	yes

#### Electrical

Interface	Electrical interface for traction units PluX22
Head light	3 headlight, dependent on the direction of travel/2 tail lights, dependent on the direction of travel
LED head light	yes
Additional light function	yes

#### Measurements

Length over buffer	217 mm
