

## Sliding wall wagon, SJ

Epoch: VI

14+

Art. No.: 77490

€41,90

Sliding wall wagon type Hbbins of the Swedish State Railways.

- Model with "Green Cargo" lettering
- Finely detailed end and side walls
- Separately applied handrails and operating rods
- Model with true to original chassis

The two-axle sliding wall wagons of the type Hbbi (II) ns (s) are currently considered standard wagons and practically all European railway administrations uses them. The wagon is ideally suitable for transporting weather-sensitive, large-volume and palletized goods.
