

Goods train baggage wagon, DB

Epoch:

Art. No.: 74220

Goods train baggage wagon type Pwgs 41 of the Deutsche Bundesbahn.

New design!

- Finely detailed model with separately applied plug-in parts
- Steps at the baggage compartment doors in a modernised, narrow design
- Sliding doors can be optionally attached in three positions (closed, half-open, open)
- Model without roof pulpit

The DRB built the type Pwgs 41 baggage wagons in the 1940s. Their design was based on baggage wagon building principles of passenger trains. After the Second World War, the wagons that remained with the Deutsche Bundesbahn were used in both passenger and goods trains.

Specifications:

General data

Interior lighting Article number	40361
