14+

Art. No.: 70492

€334,90

Electric locomotive 1116 182 belonging to the Österreichische Bundesbahnen.

- Features elaborate print in "Bundesheer" design
- With switchable high beam and individually switchable headlight or tail light in digital mode
- Unique edition in special packaging
- Licensed ÖBB model
- Z21 driver's cab available

The ÖBB and the Österreichische Bundesheer have worked in close partnership for decades now, whether during catastrophe operations or military transportation. As a symbol of this collaboration, the third Taurus locomotive, the 1116 182-7, was presented in Bundesheer design. The locomotive is used in Austria and its neighbouring countries.

### Specifications:

#### General data

Coupling	NEM shaft 362 with close coupling mechanism
