

## 12 piece display: Swing-roof wagons, DB

Epoch: IV

14+

Art. No.: 75866

The display contains 12 swing-roof wagons, type Tal, of the Deutsche Bundesbahn.

The goods wagons are used for transporting lime. They are brown wagons that are carefully patinated by hand in a dirty condition with traces of lime.

- Aged by hand; for the transport of moisture-sensitive goods
- Two wagons each with identic running numbers
- Perfectly matches the diesel locomotives class 215, items 70760, 70761, 78761
- Single wagons are available from your specialized dealer
