The set contains a 1st class Eurocity coach, type Apm, a 2nd class Eurocity coach, type Bpm and a dining car, type WRm.

- Train route: Hamburg–Chur
- 1st class coach in "Cisalpino" livery
- Operation condition: approx. 2010–2014

When the former Cisalpino (CIS) coaches were transferred to the Swiss Federal Railways (SBB), their coach fleet became a little more colourful for some time. One of those particularly "colourful" trains over a long time operating is the Eurocity train pair 6/7. The train ran from Chur in Switzerland via Zurich central station and Basel SBB to Mannheim, Dortmund, and Hamburg.
